

## React & JavaScript Developer (w/d/m)

any experience level: Working Student, Junior, or Senior

We are looking for passionate React / JavaScript Web Developers. If you are motivated to craft modern, state-of-the-art web and mobile app solutions and you are ready for an exciting international startup journey, we want to hear from you!

Email your experience and interests to [job@o2o-insights.com](mailto:job@o2o-insights.com).

At O2O Insights, an international startup pushing the boundaries of AI to bridge the gap between online and offline worlds. We customize our technology to meet our clients' needs, driving their global business success.

Join our team in **Göppingen/Stuttgart** or **Mallorca/Spain** and experience how your code powers global business success and growth!

### Key Responsibilities:

- Envision, design, and implement modern web and mobile app applications
- Guide on us and our customers on latest technology and user experiences
- Ensure highly scalable and maintainable solutions

### Qualifications:

- A creative, tech-savvy mind that thrives on innovation
- Knowledge in design and implementation of TypeScript/React projects
- A love for AI and modern, cutting-edge technology is a plus

### What We Offer:

- Opportunities for professional growth
- Work in a collaborative, supportive, and geek-friendly environment
- Work from abroad: up to 2 months in Mallorca/Spain

**How to apply:** If you are excited about the opportunity to work with us, we would love to hear from you! Please send your resume and/or cover letter to [job@o2o-insights.com](mailto:job@o2o-insights.com)
