

Project Specialist and Project Manager (w/d/m)

any experience level: Working Student, Junior, Senior, or Principal

We are O2O Insights, an international startup pushing the boundaries of AI. Our mission is to bridge the gap between online and offline worlds, customizing our technology to meet our clients' needs and driving their global business success. Join our dynamic team in **Göppingen/Stuttgart** or **Mallorca/Spain** and experience how your contribution drives global business success and growth:

Email your experience and interests to job@o2o-insights.com.

Key Responsibilities:

- Support the Management Team and take over responsibility for various projects in the organization and execution of strategy, operations, and organization projects
- Work self-dependently and hands-on on smaller projects and drive projects to success quickly
- In collaboration with colleagues, prepare business cases and quantify potential business benefits
- Organize and facilitate management meetings and provide accurate reporting

Qualifications:

- Project Management experience and Project Organization skills, strong in task organization and following up on deliverables
- Strong strategic and commercial mindset, motivated in detailing out concepts and strategies
- Extensive experience as a (strategy) consultant, project management specialist, or similar is a strong plus

What We Offer:

- Opportunities for professional career growth and personal development
- You will directly influence a rapidly growing company and experience a startup culture
- Work in a collaborative, supportive, team environment with customers' needs in focus
- Work from abroad: up to 2 months in Mallorca/Spain

How to apply: If you are excited about the opportunity to work with us, we would love to hear from you! Please send your resume and/or cover letter to job@o2o-insights.com
